The Next Generation

Sponsored by

America's Most Convenient Bank®

A continuing discussion with forward-thinking non-profit leaders dedicated to strengthening organizational missions, stimulating strategic thinking and garnering the cross-discipline dialog that improves management practices and makes a difference in the internal experience of business performance and external impact on service delivery

Program and Breakout Choices

This program will bring highly effective enterprising nonprofit leaders and board members together once again with experts in various disciplines to share and discuss strategies and practices that will generate increased clarity of thinking and action in this continually changing non-profit environment and marketplace.
